*To the Board of State Viticultural Commissioners :*

GENTLEMEN: The following list of vine growers and wine makers of California is as complete a one as I have been able to make at the present time. I shall continue to make additions and corrections to it, and will publish them from time to time as appendices to this list. The work of obtaining this list has been a difficult one, and I am greatly indebted to our Inspectors and friends in the different portions of the State for their kind assistance. This list will greatly help us in obtaining future statistics, and I intend soon to mail a circular to the parties named in this list, asking them to give me their acreage in vines, varieties of grapes planted, and other viticultural statistics.

Yours, respectfully,

CLARENCE J. WETMORE,  
Secretary.
