Introduction

FATHER, what is a Legislature?

A representative body elected by the people of the state.

Are women people?

No, my son, criminals, lunatics and women are not people.

Do legislators legislate for nothing?

Oh, no; they are paid a salary.

By whom?

By the people.

Are women people?

Of course, my son, just as much as men are.

To the New York Tribune, in whose generous columns many of these verses first appeared, the author here wishes to express her gratitude.
