* * This volume contains (1) *The Renewal of Youth* and other poems as yet unpublished: (2) various pieces already printed in the *Fortnightly Review* and *Macmillan's Magazine*, and (3) some pieces published in a small volume of *Poems* which appeared in 1870, and which has long been out of print. Less than half of that volume, however, is incorporated into the present one. *S. Paul* is now published in a separate form, and many shorter pieces have been omitted here.
