THE following Tables are offered to the notice of the Civil Servants of the Crown with the view of enabling each to ascertain for himself at a glance the amount of Superannuation Allowance he is, or will be, qualified to receive according to his length of Service and amount of Salary.

The Tables have been so arranged as to require little or no explanation beyond the simple inspection of them. Each opening of the book exhibits complete the amount of Superannuation Allowance assignable, after a certain number of years' Service to certain Salaries. The number of years' Service, and the amount of Salaries are shown in large figures at the top of each page.

Great care has been taken in the preparation of these Tables, and it is believed that they are as free from inaccuracies as possible.
