ROBERT WHEELER BUSH

**A POPULAR
INTRODUCTION TO
THE PENTATEUCH**

R. Wh [✓]ler Bush

A
POPULAR INTRODUCTION
TO
THE PENTATEUCH.

Religious Tract Society
London: 1843.

P R E F A C E.

THIS volume is designed to supply the reader of that important part of the Bible of which it treats with information which he could scarcely obtain except by consulting many large and costly works. The writer hopes that his work may tend to remove some of the difficulties, to answer some of the objections, and to solve some of the doubts, that may possibly present themselves to the mind of an earnest and intelligent student of God's holy Word.

Moreover, it is hoped that the following pages may prove specially useful to those who are engaged either as Teachers in Sunday Schools, or in the general instruction of the young in Biblical knowledge; and that they may not be without value to those of both sexes who compose the highest forms in our large schools, to Pupil Teachers, to Students preparing for Theological Examinations, and even perhaps to those who are actively engaged in the work of the Ministry.

It is the earnest hope and prayer of the writer, that,

through the blessing of God, the volume may serve, in some degree, the purpose of building up in the faith those who believe, of removing the doubts of those who waver, and of supplying with sound and serviceable information those who desire to read the Sacred Oracles of God in a spirit of faith, humility, and reverence.

CONTENTS.

INTRODUCTION.

	PAGE
Names given to the Pentateuch in the Bible,	1
Origin of its Fivefold Division,	2
The Art of Writing in the Time of Moses,	3
Objections :	
1. Against the Mosaic Authorship of the Pentateuch,	3
