**STUDENT'S MANUAL  
OF CAVITY  
PREPARATION**

**STUDENT'S MANUAL  
OF  
CAVITY PREPARATION**

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is crucial for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the various methods and tools used to collect and analyze data. It highlights the need for consistent data collection procedures and the use of advanced analytical techniques to derive meaningful insights from the data.

3. The third part of the document focuses on the role of technology in data management and analysis. It discusses how modern software solutions can streamline data collection, storage, and analysis, thereby improving efficiency and accuracy.

4. The fourth part of the document addresses the challenges associated with data collection and analysis. It identifies common pitfalls such as data quality issues, incomplete data, and the complexity of large datasets, and provides strategies to overcome these challenges.

5. The fifth part of the document discusses the importance of data security and privacy. It emphasizes the need for robust security measures to protect sensitive data from unauthorized access and ensure compliance with relevant regulations.

6. The sixth part of the document explores the applications of data analysis in various business contexts. It provides examples of how data insights can be used to optimize marketing campaigns, improve customer service, and make strategic business decisions.

7. The seventh part of the document discusses the future of data analysis. It highlights emerging trends such as artificial intelligence, machine learning, and big data, and discusses their potential impact on the field of data analysis.

8. The eighth part of the document provides a summary of the key points discussed throughout the document. It reiterates the importance of data collection and analysis and encourages the reader to continue exploring this field.

9. The ninth part of the document includes a list of references and sources used in the document. It provides a comprehensive list of books, articles, and other resources that are relevant to the topics discussed in the document.

10. The tenth part of the document is a conclusion that summarizes the main findings and offers final thoughts on the importance of data collection and analysis in the modern business environment.

## PREFACE

Realizing the need of a manual to aid the beginning student to acquire the proper knowledge of cavity preparation, this volume has been prepared. Its purpose is to impart to the student a knowledge of the correct cavity form for gold and amalgam. It is not intended as a text to treat of operative procedure, instrumentation or technic.

The illustrations are all original, but the cavity forms are those set forth in the standard texts on operative dentistry.

If this little manual proves beneficial to the student in acquiring correct ideas of cavity form, its purpose will have been fulfilled.

—J. E. S.

## CONTENTS

|   | PAGE |
|---|------|
| Cavity Classification.....  | 9    |
| Order of Procedure.....   | 10   |
| Extensions for Prevention.....  | 10   |
| Naming of Cavity Walls, Lines, Angles, Etc.....                               | 10   |
| 1st Class Cavity Prepared for Filling.....                                    | 12   |
| 2nd Class Cavity Prepared in Upper Bicuspid.....                              | 14   |
| 2nd Class Cavity Prepared in Upper Molar.....                                 | 16   |
| Method of Cutting Convenience in Proximal Portion<br>of 2nd Class Cavity..... | 18   |
| 3rd Class Cavity Prepared.....  | 20   |
| Cross-section of 3rd Class Filling.....                                       | 22   |
| Cross-section of Proximal Cavity.....   | 24   |
| Cross-section of Proximal Filling.....  | 26   |
| 4th Class Cavity Prepared.....  | 28   |
| Incisal Step of 4th Class Cavity Preparation.....                             | 30   |
| 4th Class Cavity Filled.....  | 32   |
| 5th Class Cavity Prepared.....  | 34   |
| Cross-section of 5th Class Filling.....                                       | 36   |
