#### PREFATORY NOTE

As indicated on the title page, this is a reprint from plates of pages 145-177, 183-226 of the "List of books on the Philippine Islands," which were devoted to the American occupation of the Philippine Islands. There have been a few changes, namely, the addition of a few of the more important Government documents and of articles in periodicals published subsequently to the issue of the original list.

The list is issued to meet requests for titles on the policy of expansion in the acquisition of the Philippines.

For convenience a short list of pros and cons on the subject of expansion is given on pages 90-91.
