## PREFACE

These sermons have been preached in the chapels of Yale, Harvard, Princeton, Columbia, Brown, New York and Chicago Universities, and of Williams, Dartmouth, Wellesley, Vassar, Mt. Holyoke and Bryn Mawr Colleges. Some of them have been delivered at the Conferences of the Young Men's and Young Women's Christian Associations at Northfield and Silver Bay. They are published as they were spoken; and they are necessarily colloquial. They were preached to congregations of students having similar needs; and the same ideas recur in them frequently. The only reason for their publication is the desire that has been expressed to possess them in printed form, and to be able to pass them on to others, whose religious wants they may possibly help to bring to the only Source of supply.

December, 1913.
