BOOK II.

CHAPTER I.

PAGE

Characters of silly people, with the proper uses for which such are designed 55

CHAPTER II.

Great examples of GREATNESS in Wild, shewn as well by his behaviour to Bagshot as in a scheme laid, first, to impose on Heartfree by means of the count, and then to cheat the count of the booty 59

CHAPTER III.

Containing scenes of softness, love, and honour, all in the great stile 64

CHAPTER IV.

In which Wild, after many fruitless endeavours to discover his friend, moralises on his misfortune in a speech, which may be of use (if rightly understood) to some other considerable speech-makers 71

CHAPTER V.

Containing many surprising adventures, which our hero, with GREAT GREATNESS, achieved 74

CHAPTER VI.

Of hats 80

CHAPTER VII.

Shewing the consequence which attended Heartfree's adventures with Wild; all natural and common enough to little wretches who deal with GREAT MEN; together with some precedents of letters, being the different methods of answering a dun 82

CHAPTER VIII.

In which our hero carries GREATNESS to an immoderate height 86
