PREFACE

I AM aware that for the most part the title of my book is an allegory rather than an actual description; but readers who have followed me heretofore, I trust, will not be puzzled or misled in the present case by any want of literalness in the matter of the title. If the name carries with it a suggestion of the wild and dialectable in nature, of the free and ungarnered harvests which the wilderness everywhere affords to the observing eye and ear, it will prove sufficiently explicit for my purpose.

ROCUS-ON-HUDSON, N. Y.
