MANY look out longingly toward another life, in which they implicitly believe, yet of which they can know nothing save in the dimmest, most shadowy way. Loved ones are taken from them into that strange land, and they long then more than ever to know about the country that is the new home of their friends — its beauty, its joys, its fellowships, its occupations. The Bible does not lift the veil, but it gives many glimpses of the heavenly life. It is the purpose of this little book to note some of these glimpses.
