PREFACE.

In offering this edition of Dr. Appia's "Ambulance Surgeon" to the profession, the editors have only to state that the translation is slightly condensed, and that a few details to be found elsewhere have been omitted.

They have added a chapter upon Disinfectants. It was originally intended to add a series of illustrations of Surgical Appliances. But being unwilling to make the book larger than absolutely necessary, they have for the present limited the last part to the dressing of wounds, hemorrhage, and some of the more common varieties of fracture.

TABLE OF CONTENTS.

PART FIRST.

GENERAL INTRODUCTION—GUN-SHOT WOUNDS.

CHAPTER I.

	PAGES
1. Old Delusions	1-4
2. Shock	4-7
3. Varieties in Gun-shot Wounds	7-12
4. Foreign Bodies	13-18
5. Twisting Course of the Ball	18-21

CHAPTER II.

ON DIAGNOSIS	22-26
------------------------	-------

CHAPTER III.

PROGNOSIS AND COMPLICATIONS—

1. Difficulty of establishing a General Prognosis	27-30
--	-------

	Pages
2. Surgical Prognosis	30-35
3. Medical Prognosis and General Complications	35-44

CHAPTER IV.

TREATMENT—

1. Opening and Dilatation	45-51
2. Removal of Foreign Bodies	51-59
3. First Dressing	59-61
4. Employment of Water	61-71
5. Diet and Hygienic Measures	71-74
6. Hemorrhage	74-83
7. Tetanus	83-102

PART SECOND.

GUN-SHOT WOUNDS CONSIDERED IN DIFFERENT PARTS OF THE BODY.

CHAPTER I.

Wounds of the Limbs in General	103-106
--	---------

CHAPTER II.

FRACTURES OF THE THIGH—

1. Treatment of Fractures of the Thigh in Paris in 1848	107-112
---	---------

CONTENTS.

ix

Pages

2. Can Fractures of the Thigh be cured without Amputation, and in what proportion?	112-119
3. Do Fractures of the Thigh require primary or secondary Amputation?	119-135
4. On the dangers of Amputation	135-140
5. Indications for Primary Amputation	140-142
6. Conservative Treatment of Fractures of the Thigh	142-147

CHAPTER III.

Wounds of the Knee	148-152
------------------------------	---------

CHAPTER IV.

Wounds of the Leg and Foot	153-158
--------------------------------------	---------

CHAPTER V.

Wounds of the Upper Extremities	159-166
---	---------

CHAPTER VI.

Wounds of the Pelvis and Genitals	167-169
---	---------

CHAPTER VII.

Wounds of the Head, Face, and Neck	170-172
--	---------
