CHILDHOOD VERSE.

THERE'S ALWAYS A WAY.

+ + +

THERE'S always a way, my own little man,
Seek till you find it, for find it you can.

Your task may be mighty, and failure seem nigh;
But don't be disheartened—you'll learn by and by,
That success comes to him who enters a fray
To conquer, believing there's always a way.

There's always a way, my own little lad,
By which the crown of vict'ry may ever be had.
By him is it won, who, with true, sturdy might,
Will build upon failures the way that is right;
By him, who, believing at work or at play,
To accomplish his work there's always a way.
