**THE STORY
OF AZRON**

The illustration is given with the kind permission of Mr. French.

COMPTON & FENNER

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is crucial for ensuring transparency and accountability in the organization's operations.

2. The second part outlines the specific procedures and protocols that must be followed to ensure that all records are properly maintained and updated. This includes regular audits and reviews to identify any discrepancies or errors.

3. The third part addresses the issue of data security and protection. It highlights the need for robust security measures to prevent unauthorized access to sensitive information and to ensure that all data is stored securely.

4. The fourth part discusses the importance of training and education for all staff members. It stresses that everyone in the organization must be aware of their responsibilities regarding record-keeping and data security.

5. The fifth part provides a summary of the key points discussed and offers recommendations for further action. It encourages the organization to continue to improve its record-keeping practices and to stay up-to-date with the latest industry standards and regulations.

Conclusion

In conclusion, maintaining accurate records and ensuring data security are essential for the success and integrity of any organization. By following the procedures and protocols outlined in this document, the organization can ensure that all transactions and activities are properly documented and protected.

The Story of Azron

Azron, the Builder, loving his white stones
Dearly as other men love gold,—or fame,—
Wrought with them wondrous things in wondrous
ways.

On the broad market-place there rose in state
The civic palace he had builded well,
Stately indeed; not decked with traceried veins
Of over-ornament to feed his pride;
But dignified, with broad and tranquil lines,
And fitted for its office. Farther on,
The Queen's wide mansion rose in royal state,
So beautiful that nature did not grudge
This reign of art, but nearer came, to crowd
Her roses, and her lawns of fragrant grass,
Her tall straight trees, her swaying bough and
breeze,
Her nightingales, her brilliant fountains, clear
With delicate water singing as it fell,
Around the loved and lovely building. Near,
