PREFACE.

This is a "Simple" History in respect at once of the matter, the style, and the language. Only the most important events and the most striking incidents are recorded; but these have been selected with great care, and as much picturesqueness has been thrown into the narrative as the limited space would allow.

The work is arranged in Reading Lessons, to suit the new Code (Article 19, C. 1); and to each lesson there are added Spellings, Meanings, and Notes.

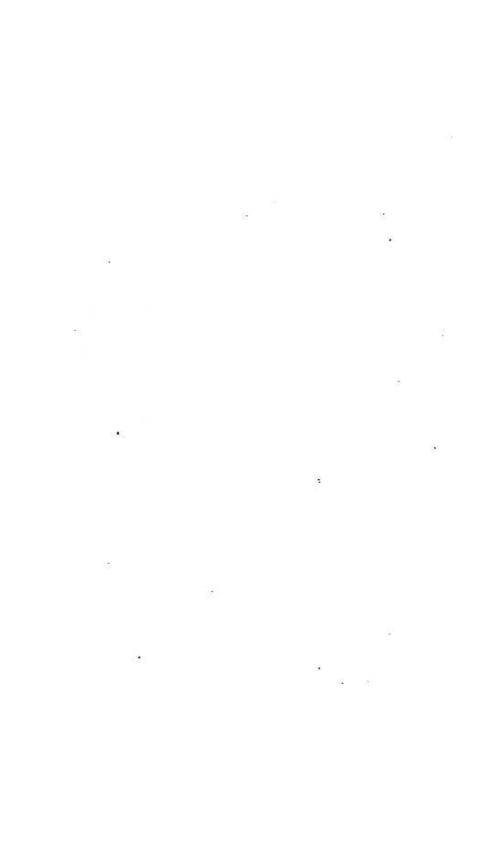

The volume embraces the whole period of English History. It will be useful to those who prefer to have the leading facts in the history of our country presented briefly in one book.

It is intended for Standards III. and IV. With the two other volumes in the Royal School Series mentioned below, it makes a complete set of History Readers for Standards III., IV., V., and VI.

THE SIMPLE HISTORY OF ENGLAND. For Standards III. and IV. Price 1s. Illustrated.

THE HISTORICAL READER - ENGLISH HISTORY.
 For Standard V. Price 1s. Illustrated.

THE REIGN OF QUEEN VICTORIA. For Standard VI. Price 1s. 6d.

A SIMPLE

HISTORY OF ENGLAND

IN READING LESSONS.

1.-THE EARLY BRITONS.

- 1. Two thousand years ago, the country in which we live was almost covered with dense forests, where roamed wolves, bears, wild boars, and whitemaned bulls. The Britons who lived in it then were the forefathers of the Welsh. But they were a wild and almost savage race. The country was very little known to other nations.¹
- 2. In those days there were no large towns, nor pretty villages, nor well-built houses; no churches, nor school-houses. Here and there, where the forest had been 'cleared, there were a few poor huts, made of rods tied into the shape of a bee-hive or a sugarloaf, and covered with mud and turf. Perhaps a trench or ditch was cut around the huts, to keep off the wild beasts.
- The Early Britons did not 'till the soil. They sowed no corn or other seeds. They lived on roots and fruits, and on the flesh of animals killed in
