## Dedicated to My Wife

*My pride it is, my joy it is,  
My manhood's surest test,  
To love you much, to love you more,  
To love you last and best.*

*Come any day, come any place,  
My soul is satisfied  
To find in love of what you are,  
Its constant joy and pride.*

*There is no price I would not pay  
For the joy that fills my heart to-day.  
No task so hard I would not do  
For the love of what I find in you.  
No loss so great, no grief so sad,  
But the thought of you will make me glad.*

### Author's Note

*The Vital Touch* has brought the author to a consciousness that there is but one Life in the midst of which souls exist as perfect centers of action. The infinite objectivity which we call the universe is the eternal playmate and bosom friend of the infinite subjectivity which we call the soul. The realization of this truth is what the author calls *The Vital Touch*.
