WILLIAM HURRELL MALLOCK

EVERY MAN HIS OWN POET

Trieste

THE MASTERPIECE OF A GREAT GENIUS.

POEMS IN PROSE.

BY

IVAN TOURGUENEFF.

WITH A FINE PORTRAIT FRONTISPIECE, AND AN INTRODUCTION.

1 vol. 16 mo. Gray cloth, red edges. Price, $1.25.

These "Poems in Prose" are the mature products of Tourguéneff's genius, and are admirably adapted to indicate the scope and tendency of the great novelist's wonderful powers of description and analysis. They are like so many exquisite etchings wrought with the hand of a master. They are best defined by the title that he half suggested for them — "Poems in Prose"; for, while their form is that of prose, the subjects, the treatment, the imaginative setting, have all the charm and quality of poetry. Wit and humor and the tenderest pathos are intermingled with flashes of the keenest cynicism and flying thoughts concerning the destiny of man expressed in shining epigrams. And through all the picturesque element is supreme. To illustrate the littleness of humanity, Finsteraarhorn and the Jungfrau thunder to each other across the centuries; Benevolence and Gratitude meet for the first time in the azure palace of "Le Bon Dieu"; the poor Russian *moujik* stands side by side with the Egyptian Sphinx. They are among the finest of the literary masterpieces of this century — these little allegories; and it is a matter for congratulation that they are now presented to American readers in a form worthy of the originals.

As to this little book, Tourguéneff said: "The reader must not skim over these poems in prose one after the other; that would probably tire him, and he would soon cast the book aside. But let him read each one separately: one to-day, another to-morrow, and then perhaps one or more of them may sink into his soul and bear fruit."

For sale by all booksellers, or mailed, postage paid, on receipt of the price, by the publishers,

NOTE TO AMERICAN EDITION.

This brochure (which is now generally attributed to W. H. Mallock, the author of "The New Republic"), is reprinted by its American publishers simply with a view of supplying the demand which they have had for it; and which demand, notwithstanding their facilities as importers of English books, they have been unable to satisfy.

It may be proper to state that it achieved in England a certain amount of popularity long before the appearance of "The New Republic."

BOSTON, *December*, 1878.
