READING:

BRADLEY & SON, LTD., PRINTERS, LITTLE CROWN YARD, MILL LANE.

*This little book does not pretend in any way to be a guide to Cashmere, but just what its name implies, and a tribute to it for the very pleasant, if hurried, time I spent there; and if anyone, who like myself had no time to spare in finding out when at Srinagar what to do and where to go, finds my experience in any way useful, this book will have more than served its purpose.*

*The photographs, though far from doing justice to the country, may perhaps induce some who think Cashmere too far away—and being inaccessible by rail therefore without modern comforts—to take a trip they will never regret.*
