FOREWORD

As a modest attempt to celebrate the seventy-fifth anniversary of the founding of the house of A. S. Barnes & Company we offer this little history to our friends. It is hoped that this backward glance at seventy-five years of educational endeavor in the publishing field will awaken pleasant memories in the minds and hearts of the many men and women who have helped by word and deed in the establishing and furthering of the work of the house.

Grateful acknowledgment is made to Mr. Richard S. Barnes for his generous assistance in making possible the preparation of this little volume.
