#### SOME THOUGHTS ON THE PSYCHIC CONSTITUTION OF MAN AND HIS LATENT POSSIBILITIES

**T**O write an essay on Psychics or Psychic Phenomena is indeed a task so vast and of so great importance that one might well hesitate to attempt so sublime a theme, but on the other hand, when one has for years tried to make a fair and unprejudiced study of a particular subject and has hunted up and studied many volumes and compared many theories concerning the Psychic constitution of man and its faculties, besides at one time making certain personal investigations in what is known as Psychic Phenomena, it may prove of some benefit to those who have had neither the time nor the inclination to delve into so fascinating a subject to hear some of the theories so studied and some of the conclusions arrived at.

The tendency of the greatest masters of the
