## PREFACE.

---

This monograph is the outgrowth of an address given at Columbia College in this city in 1898. It was first published in *The North Carolina Review*, May, 1912. Much of the original material was gathered in Charleston, where I had the opportunity of learning some unpublished facts about Timrod's life and of gaining a personal impression of the man from several who knew him intimately.

My chief indebtedness is to the late William A. Courtenay, for the use of his rare collection of Timrodiana. My thanks are also due to my colleague, Doctor Yates Snowden, for the loan of a pamphlet containing a record of the work of the Timrod Memorial Association. From it are taken the three illustrations here reproduced.
