## LAND OF OUR DREAMS

(From the Danish)

BIRDS their eyes are closing,  
Perching with peace and rest;  
Dream while the wind is tossing  
Spray 'round their lofty nest.

Flowers with heads low bending,  
Gently to mother earth  
Dream while the waves are sending  
Foam from the rocky firth.

Tired is your eyelid? Close it—  
Safe as the birds in nest.  
Is aching your head? Then drop it  
As gently the flowers rest.

Storm winds, though they be frightful;  
Billows, though white they bleach,  
Land of our dreams delightful  
Surely they shall never reach.
