### ELFINN'S LUCK.

*The Mabinogi, translated by Lady Charlotte Guest, is so evidently mutilated and corrupt, that I have preferred to follow the Breton version of the story and of the Eddy Far in their beautiful rendering by M. Edouard Schuré. It is a gratification to me to render him all acknowledgments. I have, perhaps, tried to give a different signification to the tale, to show what the old bards meant, what they seemed to mean, what at least they might have meant.*
