SOME time ago I amused myself by an attempt at a composition entitled "Salopia." It now appears in a somewhat altered form, and I have added some Miscellaneous Pieces, concluding with "The News-Room." My satire, (if any portion of the following productions deserve the name) will be found to be general; and if I have endeavoured to excite a smile at the expense of certain Vocations, I have not spared my own. The Volume is presented as the last offering of an humble Muse, with the hope of beguiling a vacant hour.
