SCHOOL MONEY.

A. *Local School Money.*Required by
law.

The selectmen in each town shall assess annually upon the polls and ratable estate taxable therein, a sum to be computed at the rate of seven hundred and fifty dollars for every dollar of the public taxes apportioned to such town, and so for a greater or less sum.

P. S. 88:1, as
amended by
48, laws 1965.

[For the public tax apportioned to your town, see Laws of 1911, also blanks for annual report to department of public instruction. Multiply apportionment for your town by 750, and the result will be money required by law.]

quirements,—
how raised.

The school board of each district in their annual report shall state in detail the sums of money which will be required during the ensuing fiscal year for the purchase of text-books, scholars' supplies, flags and appurtenances, and for the payment of the tuition of the scholars of the district in high schools and academies in accordance with chapter 96 of the Laws of 1901, and for the payment of all other statutory obligations of the district. The selectmen of the town, in their next annual assessment, shall assess upon the taxable polls and property of the district a sum sufficient to meet the obligations above enumerated and when collected shall pay the same over to the district treasurer.

P. S. 88:2, as

The sums so raised shall be appropriated to the sole purpose of maintaining public schools within the town [district] for teaching reading, writing, English grammar, arithmetic, geography, and such other branches as are adapted to the advancement of the schools, including the purchase of fuel and other supplies, the making of occasional repairs upon school-houses, appurtenances, and furniture, and the conveyance of scholars to and from school as provided by law.

P. S. 88:3.

[Occasional repairs are those involving a small outlay, not more than five percent of the total school money. For repairs which amount to remodeling, special appropriations should be made. For conveyance of pupils not more than 25 percent of all school monies may be used.]

districts.

The selectmen shall assign to each district a proportion of such money, according to the valuation of the district for the year, or in such other manner as the town, at the annual meeting, shall direct, and shall pay over the same to the school board of the district.

P. S. 88:4.

[In most cases there is but one district in a town. The selectmen therefore will pay over the entire school assessment to the district treasurer to be paid out on the order of the school board.]

When a guardian and ward reside in the same town, the selectmen shall assign the tax assessed upon the ward's personal property to the school district in which the ward lives and has his home.

P. S. 88:5.
