THIS volume is dedicated to a woman endowed by her ancestors with health and strength, reared by a wise mother, trained to earn her own living, and university bred, at one time an independent wage-earner and now equal partner in the business of a home, a social force in the life of her community, member of a woman's club, a suffragist, the devoted and intelligent mother of a group of fine children, and the center of a family which loves and reverences her and finds the deepest meaning of life in her presence.
