A PLACE OF REPENTANCE.

" If a man be gracious and courteous to strangers, it shows that he is a citizen of the world, and that his heart is no island cut off from other lands, but a continent that joins them. If he be compassionate toward the afflictions of others, it shows that his heart is like the noble tree that is wounded itself when it gives the balm. IF HE EARLY PARDONS AND ADMITS OFFENSES, it shows that his mind is planted above injuries, so that he cannot be shot."
