### Special Notice.

This book is issued only in connection with the single lessons of Course V of Mr. Whipple's system of instruction. It is provided with a lock and key, in order that its contents may be kept from the curious or prying eyes of those who have not been prepared for its teachings, by the study which enables us to understand aright.

It is hoped and expected that faithful pupils having it in their possession will respect this request to keep the book locked—a request which rests wholly upon the facts of experience with all classes of minds. Unless the ground is well prepared, the “thorns and brambles” of personal opinion based upon worldly views of spiritual matters choke out the wheat in any field of endeavor, and render it impossible to comprehend the value of these teachings.

Only the unprepared, however, need be excluded.

Respectfully,

THE AMERICAN SCHOOL OF METAPHYSICS,  
LEANDER EDMUND WHIPPLE, *Principal.*

NEW YORK, March, 1908.
