"I will make poems of materials, for I think they are to
be the most spiritual poems ;
And I will make the poems of the body and of mortality,
For I think I shall then supply myself with the poems
of the soul, and of immortality."

WALT WHITMAN.

"The hours when the mind is absorbed by beauty are the
only hours when we really live, so that the longer we can
stay among these things, so much the more is snatched from
inevitable time."

RICHARD JEFFERIES.
