## INTRODUCTION.

---

*Stanley S. Livingston*  
*Sept*

THE following pages are intended to furnish simple and interesting materials for thought, during those quiet Sunday hours when the services of the sanctuary are suspended or closed. From graver and more profound writings, youthful readers too frequently turn with distaste; but cheerful and appropriate remarks on subjects intimately associated with their own ideas and feelings, from the pen of one whose earnest sympathies are linked with their's, will, it is hoped, engage their attention and impress their hearts. It is impossible to over-estimate the importance of making the Sabbath, in their early experience, both a holy and a happy day: and if this little book should

contribute to make it so, either by exciting them to consecrate themselves to the service of that Saviour, whose resurrection on their behalf is commemorated on the day of rest; or by strengthening in them those habits and dispositions which are a preparation for the eternal Sabbath above, the aim of the writer will be attained.
