NEW YORK: E. P. DUTTON & CO.

“ Young men and maidens,  
Old men and children,  
Praise the Name of the Lord.”

## FOREWORD

THERE are about three hundred good Hymns in the English language. To make a selection of one hundred of the best of these is no easy task. A good Hymn should have in it Devotion, Teaching, Rhythm, and Poetry. After long experience, and with mature consideration, I believe the Hymns contained in this little book to be the best hundred Hymns in the English language, though there are many others which I should like to include. I have arranged these according to the Christian seasons and other occasions, for the convenience of those who may wish to use the book in Family or Social Worship. I have carefully collated them and have given the best reading of the Hymns, and the most appropriate verses. I have obtained permission to print the copyright Hymns which appear in the book, for which I return my grateful thanks. May these Hymns prove a consolation and comfort to all who read or sing them, and may we all at last sing in the holy choir of heaven.

J. C.

"O ye children of men,  
Bless ye the Lord,  
Praise Him and magnify Him for ever."

## CONTENTS

### Morning
