PREFACE.

So many books have been written upon the subject of which the following few pages attempt to treat, that it would seem almost unpardonable in the present instance to swell the number by adding such an insignificant item as this. But it would be even more unpardonable were such a production to come out without a preface: such a proceeding would display a want of courtesy, and indicate a degree of vanity which might materially prejudice its reception. It is doubtful if this prefatory notice will ever be read; yet still, under the circumstances, it will at least offer some apology for the perpetration of the offence.

There is no lack of information about these distant provinces: indeed, everything connected with them is quite familiar to the English people. Nor is there a greater deficiency of descriptions which add personal impressions to connected and substantial narrative; yet, in all these cases, scarcely any two persons have regarded the same
