## NOTE ON THE CONTENTS.

In this report all the financial tables concerning the State institutions relate to the year that ended on Nov. 30, 1910, in accordance with the act of 1905 that established a fiscal year. Statistics of prisoners, criminal prosecutions, arrests, etc., and all information concerning the county prisons, are for the year that ended on Sept. 30, 1910.

The first part of the document contains the general report which embraces suggestions and recommendations for legislation upon prison matters. The reports of the State Prison, the Massachusetts Reformatory, the Reformatory Prison for Women, and the Prison Camp and Hospital, respectively, contain statistics that relate exclusively to those institutions, but the general statistical tables comprise particulars concerning these places with all the others. After the prison statistics there will be found tabular information concerning arrests, criminal prosecutions, etc.; the financial tables relative to maintenance; and accounts of the industries, including a detailed statement as to the making of goods for public use.

The first four prisons are under the control of the Prison Commission exclusively. The State Farm is managed by a board of trustees (that also governs the State Infirmary); and the Prison Commissioners control the industries only, and have some other powers of supervision and inspection. All the county prisons are under general supervision of the Prison Commission.

The places for the imprisonment of juvenile offenders are not in any respect under the control or supervision of the Prison Commission. They are the Lyman School for Boys at Westborough, the Suffolk School for Boys on Rainsford Island in Boston Harbor, the State Industrial School for Girls at Lancaster, and the Industrial School for Boys at Shirley. Each school is managed by a board of trustees.
