PREFATORY NOTE

The portrait of Moses Maimonides which forms the frontispiece of this volume is indirectly derived from the *Thesaurus Ugolini*, Venice, 1744, volume I, page 384. The author of the *Thesaurus* makes the statement that it was taken from an old painting. Its authenticity cannot, however, be said to be established. The signature is after a photograph of a letter recovered from the Cairo Genizah by Dr. S. Schechter.
