TO THE PUBLIC.

The proceeds of the sale of this little volume are to be applied in defraying the expenses of a Free Circulating Library and Literary Institute at Florence, New Mexico. Access to a store of sound literature is a social need, and nowhere is it more urgent than in this secluded district, remote from the centres of civilization and cut off by its isolated position from the common interchange of thought and knowledge. It is the earnest desire of the writer to mitigate as far as possible this intellectual deprivation, and he places his book in the hands of the public in the hope that by their kindly support he may win for his desire fulfilment. All who feel sufficiently interested in the matter to wish for information as to the progress of the enterprise are cordially invited to communicate with the writer.
