**"TABLOID" MEDICAL OUTFITS
FOR ALPINE TOURISTS.**

**THE
B., W. & Co.
ALPINE**

**"TABLOID"
MEDICINE
CASE.**

For Alpine travelling the little case figured above will answer every purpose. The "Alpine" Pocket Case contains the list of Medicines recommended in the *Alpine Journal* of May, 1892, and has been found highly useful and thoroughly serviceable. Weight, 9½ ozs. Price 21s.

Surgeon T. H. PARKE, A.M.D., D.C.L., etc., Medical Officer of Stanley's Emin Relief Expedition, reports:—

"The 'Tabloids' are superior to any form of medicine that I have tried, not only for efficiency and constancy of strength—as I have repeatedly noticed—but also for extreme convenience of transport and rapid dispensing. One man could carry a larger quantity and of more efficient medicine in the 'Tabloid' form than ten could manage in the present cumbersome system (of other forms)."

B., W. & Co. will be glad to submit Estimates for Special Equipments to any part of the world.

One of the B., W. & Co. Medicine-Chests, fitted with "TABLOIDS," carried by H. M. Stanley through Darkest Africa, and brought back, after Three Years' Journey, with Remaining Contents unimpaired.
