## FOREWORD

---

THIS is not a handbook of "tricks and devices" warranted to speedily insure Sunday school success. It is an attempt to consider the Sunday school seriously as an educational institution, having in mind the needs of intelligent teachers and officers who are earnestly seeking to make their schools more efficient. Several of the chapters appeared in Sunday school journals, as *The Pilgrim Teacher*, *The Baptist Teacher*, *The Westminster Teacher*, *The Sunday School Journal*, *The Sunday School Executive*, *The Sunday School Magazine*, and in Church papers, as *The Standard* and *The Interic*. To the editors of these journals the author renders grateful acknowledgment for permission to reprint. However, all the articles have been enlarged and rewritten since their first publication.

August, 1912.
