**A HISTORY OF NEW
TESTAMENT TIMES; THE
TIME OF JESUS, VOL. II**

Prospectus of the THEOLOGICAL TRANSLATION FUND.

As it is important that the best results of recent theological investigations on the Continent, conducted without reference to doctrinal considerations, and with the sole purpose of arriving at truth, should be placed within the reach of English readers, it is proposed to collect, by Subscriptions and Donations, a Fund which shall be employed for the promotion of this object. A good deal has been already effected in the way of translating foreign theological literature, a series of works from the pens of Hengstenberg, Haevernick, Delitzsch, Keil, and others of the same school, having of late years been published in English; but—as the names of the authors just mentioned will at once suggest to those who are conversant with the subject—the tendency of these works is for the most part conservative. It is a theological literature of a more independent character, less biased by dogmatical prepossessions, a literature which is represented by such works as those of Ewald, Hupfeld, F. C. Baur, Zeller, Rothe, Keim, Schrader, Hausrath, Nöldeke, Pfeiderer, &c., in Germany, and by those of Kuenen, Scholten, and others, in Holland, that it is desirable to render accessible to English readers who are not familiar with the languages of the Continent. The demand for works of this description is not as yet so widely extended among either the clergy or the laity of Great Britain as to render it practicable for publishers to bring them out in any considerable numbers at their own risk. And for this reason the publication of treatises of this description can only be secured by obtaining the co-operation of the friends of free and unbiassed theological inquiry.

It is hoped that at least such a number of Subscribers of *One Guinea Annually* may be obtained as may render it practicable for the Publishers, as soon as the scheme is fairly set on foot, to

bring out every year *three 8vo volumes*, which each Subscriber of the above amount would be entitled to receive gratis. But as it will be necessary to obtain, and to remunerate, the services of a responsible Editor, and in general, if not invariably, to pay the translators, it would conduce materially to the speedy success of the design, if free donations were also made to the Fund; or if contributors were to subscribe for more than one copy of the works to be published.

If you approve of this scheme, you are requested to communicate with Messrs. Williams and Norgate, 14, Henrietta Street, Covent Garden, London, and to state whether you are willing to subscribe; and if you are disposed to assist further, what would be the amount of your donation, or the number of additional copies of the publications which you would take.

We are, your obedient servants,
