A TYPICAL CADDIE . . . . .	142
THE "HASKELL" BALL . . . . .	200

## INTRODUCTION

THE articles in the following pages first appeared in serial numbers in *Golf*, and met with such gratifying encouragement that I have been led to present them in a comprehensive form.

Their aim is to diffuse some practical knowledge of the "why and wherefore" of Golf, in order to the better assist in working a general improvement in play.

With this hope this volume is dedicated to all lovers of the game.

WALTER J. TRAVIS.
