ADVERTISEMENT.

THE Publishers having thought that there was a want of a complete Series of useful French Dialogues in a cheap form, have been induced to issue this little Work, which forms the first portion of the Improved Edition of Mr Surenne's NEW FRENCH MANUAL AND TRAVELLER'S COMPANION.

The part on MODERN CONVERSATION, or DIALOGUES ON FAMILIAR SUBJECTS, occupying from page 85 to nearly the end of the Volume, is believed to include practically useful Conversations on all the most familiar topics of everyday life, suitable for the Tourist in France and the Student at home. A Vocabulary of additional Words is added to each Dialogue where required.

ADVERTISEMENT TO THE FIFTH EDITION.

The Dialogues have been revised throughout; and the French portion has been improved, in order to give, as far as possible, a literal translation of the English into French, possessing the grammatical purity and the idiomatic propriety and elegance of the language.
