The People of the State of Michigan enact:

Section 1. No person, firm or corporation shall manufacture for sale, offer or expose for sale, sell, exchange or deliver, or have in his possession with the intent to sell, exchange or deliver, any candies or confectioneries adulterated by the admixture of terra alba, barytes, talc or other earthy or mineral substances, or any poisonous colors, flavors or extracts, or other deleterious ingredients detrimental to health.

Section 2. Whoever violates any of the provisions of section one of this act shall be deemed guilty of a misdemeanor, and upon conviction thereof, shall be punished by a fine of not less than fifty dollars nor more than one thousand dollars and the costs of prosecution, or by imprisonment in the county jail or State House of Correction and Reformatory at Ionia for not less than six months nor more than three years, or by both such fine and imprisonment in the discretion of the court, for each and every offense.

Section 3. All acts and parts of acts inconsistent with this act are hereby repealed.

AN ACT regulating the sale of turpentine, and providing penalties for the violation of this act.

The People of the State of Michigan enact:

Section 1. No person, firm or corporation shall manufacture, mix for sale, sell or offer for sale, for other than medicinal purposes, under the name of turpentine or under a name composed of a part or parts of the word turpentine, or spirits of turpentine, and any article which is not wholly distilled from resin, turpentine gum, or scrape from pine trees and unmixed and unadulterated with oil, benzine or other foreign substance of any kind whatsoever, unless the package containing the same shall be stenciled or marked with letters not less than one inch square and one-fourth inch apart "Adulterated Turpentine," except turpentine produced from turpentine gum extracted wholly from pine wood, which turpentine is known as "Wood Turpentine" must be stenciled or marked "Wood Turpentine" with letters not less than one inch square and one-fourth inch apart. When such wood turpentine is mixed and adulterated with oil, benzine or other foreign substance of any kind

whatsoever, the container shall be stenciled or marked "Adulterated Wood Turpentine" with letters not less than one inch square and one-fourth inch apart. When wood turpentine is mixed with turpentine distilled from resin, turpentine gum, or scrape from pine trees in any quantity whatsoever, the container shall be stenciled or marked "Wood Turpentine" with letters not less than one inch square and one-fourth inch apart. Nothing herein contained shall be construed to prohibit the manufacture or sale of any compound or imitation, providing the container shall be plainly marked and the purchaser notified as aforesaid.

Sec. 2. The Dairy and Food Commissioner of Michigan shall enforce the provisions of this chapter and the penal statutes relating thereto, and such commissioner, his assistants, experts, chemists and agents shall have access and ingress to the places of business, stores and buildings used for the sale of turpentine, and may open any package, can or jar or other receptacle containing any turpentine that may be manufactured, sold or offered for sale in violation of this statute.
