<i>THANKFUL BLOSSOM: A Romance of the Territory, 1779.</i> 1 vol. 16mo Red edges.....	1.25

"His peculiar merit is that he has reproduced familiar forms of life: in phases which we have all seen, but which no one has ever before painted; that he has caught the gleam of poetic light which irradiates at moments common and vulgar scenes, and detected elements of beauty which lurk beneath the coarser features of American life, — beauty which we have felt a hundred times, but never learned to express in words." — *New York Tribune.*
