UNIVERSITY OF KANSAS PUBLICATIONS
MUSEUM OF NATURAL HISTORY

The University of Kansas Publications, Museum of Natural History, beginning with volume 1 in 1946, was discontinued with volume 20 in 1971. Shorter research papers formerly published in the above series are now published as Occasional Papers, Museum of Natural History. The Miscellaneous Publications, Museum of Natural History, began with number 1 in 1946. Longer research papers are published in that series. Monographs of the Museum of Natural History were initiated in 1970. All manuscripts are subjected to critical review by intra- and extramural specialists; final acceptance is at the discretion of the Director.

Beginning with this number, Miscellaneous Publications are type set using Microsoft® Word and Aldus PageMaker® on a Macintosh computer. Conversion to current format by E. O. Wiley.

Institutional libraries interested in exchanging publications may obtain the Occasional Papers and Miscellaneous Publications by addressing the Exchange Librarian, University of Kansas Library, Lawrence, Kansas 66045, U.S.A. Individuals may purchase separate numbers from the Publications Secretary, Museum of Natural History, University of Kansas, Lawrence, Kansas 6604-2454, U.S.A.
