FORE-WORD

THE following series, or collection of meditations of innumerable inspirations, is the essence prepared for the general reader. The busy man who seldom finds or takes the time to respond to the deepest issues and promptings of the spirit might be led to pause for a moment in his career and read what is here written before he adds another thread to Penelope's snare. It is published by the *Order of the White Rose*, of which the author is a member, and if the sands in the hour-glass do not fall unnoticed, these meditations will help to lift the curtain between the seen and the unseen.
