THE LIFE OF
GENERAL HARRISON

PREFACE.

THE principal aim and object of the following biography, is to place before its readers a fair and impartial narrative of the life of one of our most eminent fellow-citizens, the history of whose public services, both civil and military, is, for many years, closely and inseparably interwoven with that of our country. The many responsible offices held by General Harrison, the numerous important treaties made by him with the Indians, and the prominent part he took in all the wars and negotiations on our North-western frontier, during one

of the most exciting and eventful periods of our national existence, render his life one of general and absorbing interest. Indeed we look upon the political and moral history of such a man as belonging to his country, and as constituting one of those bright beacon-lights destined to shine as long as the annals of our nation endure. To the character of such a man, justice is rarely done during his life-time. The carplings of envy or jealousy, and the misrepresentations of political opponents taint the public mind to a certain degree, and cast a shadow over the most brilliant actions and the purest and most virtuous motives. shared the fate of its originators and have sunk into a merited oblivion, the page of history will still record, with perennial fame, the good deeds and noble actions of the patriot, the hero and the statesman; and grateful generations shall point to his example as a bright and unclouded load-star to guide them in the true course to honest and honourable distinction.

The author of this little work has made no attempt at a eulogium. Still his sole endeavour has been to dis-
