INTRODUCTION.

I HAVE gone over the manuscript of Mr. Phelan's *HANDBOOK OF ALL DENOMINATIONS*, and I find it exceedingly well done. It gives a succinct account of the origin and the growth and the distinctive doctrines and polity, as well as a statement of the present status and strength, of each of the numerous and various sects or denominations of Christendom to-day. This is done in alphabetical order, making it easy of reference.

The manual is so serviceable and so convenient and so informing that I have already decided to use it as a textbook in my classes in Church history in the Southern Methodist University.

GROSS ALEXANDER.

NASHVILLE, TENN., July 29, 1915.
