**THE LAST SUPPER OF OUR

The Household Library of Exposition.

"The design of the Household Library of Exposition has our heartiest sympathy."—*C. H. Spurgeon.*

"Promises to render important aid to the teacher and preacher no less than to the general Christian reader."—*Christian.*

"Small volumes, convenient in size and price, in which are embodied the matured thoughts and the results of the careful reading of some of our most eminent preachers will, we cannot but think, be hailed by numbers of Christian families as meeting a distinct want. They are practical and devotional—not critical—and are admirably adapted for quiet reading. They are companions which the devout man may enjoy anywhere; they are suited for the closet, and they will be useful also for family reading."—*Congregationalist.*

"The Household Library of Exposition was a happy thought, and as volume after volume passes into our hands, we find that the realisation of the thought is being fully and adequately wrought out."—*Daily Review.*

"Admirable, timely, and useful series."—*Literary World.*
