HEART CHORDS.

## HEART CHORDS.

---

THE series of volumes of which this is one has for its object the stimulating, guiding, and strengthening of the Christian life.

It has been prepared, not to advocate the views of any special school of religious thought, nor to discuss any vexed questions, but rather to minister to all that is true, and strong, and manly in moral character.

Each volume will be brief, and will be divided into short chapters easily read by busy people, suitable for perusal at Morning and Evening Devotion, or for reading in the family circle, in the school, or the Bible class.

## MY ASPIRATIONS.

### I.

"And God saw everthing that He had made, and, behold, it was very good."—GENESIS I. 31.

IT was all very good at the last, the evenings as well as the mornings. The darkness and the sunshine made the one day, and brought the retrospect of rest. Oh, thou divine Creator! give me the faith in Thine own experience. Help me to believe in the ultimate glory of my evenings. I call Thee good in the morning hours when the sun of life is mounting high and the blaze of hope is dazzling. But I have not yet learned to thank Thee for the evening.
