INTRODUCTION

ENTERTAINING is an art, and the woman who would achieve success as a hostess must consider her guests, her cook, and herself. In order to provide a ready guide to dainty entertaining the author has carefully prepared this book, based upon her knowledge and a wide experience, as an aid for those who, in entertaining, desire dishes attractive, appetizing, a little unusual, and, withal, not too difficult to prepare.

Every cook and housekeeper knows the inconvenience of the ordinary "family" recipe when entertaining, and the multiplications and additions which are necessary. In these pages that difficulty is largely eliminated, for these are tried and true rules which will be found convenient and reliable for a small dance, an informal tea, a bridge-party, or a chafing-dish supper. The book offers a wide range which will enable every one to make a suitable choice. It will be found to be a useful, constant companion, suggesting, as it does, a dainty variety for every home which maintains a social life.
