## PREFACE

This book is written because it seems to be needed. The author has been repeatedly requested by Ministers, Y. M. C. A. Secretaries, Christian Workers, and his own students to put into a permanent and convenient shape the substance of what he has said at Conventions, Summer Schools and in the classroom on personal work. The time has come to yield to these requests. Never before in the history of the Church were there so many who desire to win others to Christ. The good work done by the Young People's Society of Christian Endeavor is in no other direction so evident as in the many thousands of young people in this land who to-day are on fire with a desire to win souls. But while they desire to do this work, many do not know how. This little book aims to tell them. There are several well-known and valuable manuals of texts to be used with inquirers, but this book is intended not only to point out passages to be used but to show how to use them, illustrating this use by cases from

actual experience. It is hoped that from a careful study of these pages any earnest Christian can learn how to do efficient work in bringing others to the Saviour.

## CHAPTER I

### THE GENERAL CONDITIONS OF SUCCESS IN BRINGING MEN TO CHRIST

There are certain general conditions, the fulfilment of which is absolutely essential to real success in bringing men to Christ. These conditions, fortunately, are few and simple and such as any one can meet.

1. *The one who would have real success in bringing others to Christ must himself be* A THOROUGHLY CONVERTED PERSON. Jesus said to Peter, "When thou art *converted* strengthen thy brethren." He was in no position to help his brethren until he himself, after his cowardly denial, had turned again to his Lord with his whole heart. If we would bring others to Christ we must turn away from all sin, and worldliness and selfishness with our whole heart, yielding to Jesus the absolute lordship over our thoughts, purposes and
